"No great improvements in the lot of mankind are possible until a great change takes place in the fundamental constitution of their modes of thought."

- John Stuart Mill

The Intentional Leadership Course - *Leading Change* is a course designed to prepare key leaders with breakthrough ability to create effective change in their organizations.

By eliminating performance barriers, creating open communication, developing individual leadership skills, and offering successful organizational change principles, this experience facilitates positive and sustainable results.

This course creates increased individual performance, clearer direction and focus, and yields the ability to develop powerful relationships that inspire commitment, alignment and next-level performance among stakeholders and staff.

In this three day dialogue, organizational leaders develop and learn how to sustain these primary competencies:

- Self-Awareness and Emotional Intelligence
- Integrity and Authentic Presence
- Leadership Listening and Communication
- Confidence, Efficacy and Influence
- Balance and Complete Wellness

Participants also discover the nature of change and learn how to:

- Avoid Common Pitfalls of Change Efforts
- Create Genuine Commitment and Alignment
- Increase Accountability and Execution
- Foster Open Communication and Collaboration
- Build a Platform and Sustain a Change Effort
